

Child & Family Bachelor's Level Intern

Department: Children's Behavioral Health Initiative (CBHI)

Overview:

Join our team! Advocates is seeking empathetic, compassionate, driven professionals to offer clinical and supportive services to children and families. We support children and families in managing a wide range of challenges through our Therapeutic Mentoring program.

Our Bachelor's Level Interns function as Therapeutic Mentors, and work with children and adolescents up to age 21 through community-based activities. Services include supporting, coaching, and training children in age-appropriate behaviors, interpersonal communication, problem-solving and conflict resolution, and relating to other children, adolescents, and adults. You will have the opportunity to share ideas with a treatment team, to utilize your skills and knowledge, and to learn new strategies. We offer a collaborative team environment, weekly individual supervision, and monthly training and group supervision.

Advocates promotes a healthy work-life balance and offers many generous perks of employment and room for advancement. We are a strong-knit community that values the ideas and contributions of our staff.

Are you ready to make a difference?

Responsibilities:

- Engage youth in social, recreational, athletic, and artistic activities in the community.
- Participate in all provider team meetings and collaborate with youth, family, and collaterals to support the youth's healthy functioning in the community.
- Implement appropriate interventions that can assist in supporting the youth and parent/guardian/caregiver.
- Provide member transportation as needed in connection with service delivery.
- Provide coaching in support of decision making in both crisis and non-crisis situations.
- Attend necessary meetings, such as care planning, school, and hospital discharge meetings.
- Provide referrals and linkage to appropriate supports and services.
- Conduct member outreach as needed to engage members and families.

Qualifications:

- Enrolled in a Bachelor's degree program focused on social work, mental health, or human services.
- Ability to communicate effectively verbally and in writing.
- Ability to develop and maintain positive working relationships with coworkers and providers.
- High energy level, superior interpersonal skills and ability to function in a team atmosphere.
- Must hold a valid driver's license, have access to an operational and insured vehicle and be willing to use it to transport clients.
- Strongly prefer a candidate that will have a demonstrated understanding of and competence in serving culturally diverse populations.

Advocates is committed to cultivating a diverse and welcoming community where everyone feels respected and valued. Advocates fosters a culture of inclusion that celebrates and promotes diversity along multiple dimensions, including race, ethnicity, sex, gender identity, gender expression, sexual orientation, age, national origin, socioeconomic status, religion, ability, culture, and experience.

Why Should I Consider a Career in Human Services?

Our Team members are dedicated to engaging and empowering individuals by forming lasting relationships, collaboratively achieving personal goals, offering creative solutions to everyday and complex situations, and actively listening. We exercise independent judgement and contribute to the overall success and benefit of the Team.

Is Human Services a Fit for Me?

Successful Team members are open-minded, eager and compassionate, and will exercise solid, independent judgement while fostering trustworthy relationships with the individuals that we serve. We put the individual first.
