

## Child & Family First Year Master's Intern

**Department:** Children's Behavioral Health Initiative (CBHI)

### Overview:

Join our team! Advocates is seeking empathetic, compassionate, driven professionals to offer clinical and supportive services to children and families. We support children and families in managing a wide range of challenges through our In Home Therapy, Therapeutic Mentoring, and In Home Behavioral Services programs.

Our staff work with children and adolescents up to age 21 through activities in homes and in the community. Services include supporting, coaching, and training children in age-appropriate behaviors, interpersonal communication, problem-solving and conflict resolution, and relating to other children, adolescents, and adults. You will have the opportunity to be part of a treatment team, to utilize your skills and knowledge, and to learn new strategies. We offer a collaborative team environment, weekly individual supervision, and monthly training and group supervision.

Advocates promotes a healthy work-life balance and offers many generous perks of employment and room for advancement. We are a strong-knit community that values the ideas and contributions of our staff.

### Are you ready to make a difference?

#### Responsibilities:

- Engage youth in social, recreational, athletic, and artistic activities in the community and in their homes.
- Participate in all provider team meetings and collaborate with youth, family, and collaterals to support the youth's healthy functioning in the community.
- Implement appropriate interventions that can assist in supporting the youth and parent/guardian/caregiver.
- Provide member transportation as needed in connection with service delivery.
- Assist in the coordination of treatment planning and intensive family therapy.
- Provide coaching in support of decision making in both crisis and non-crisis situations.
- Attend necessary meetings, such as care planning, school, and hospital discharge meetings.
- Provide referrals and linkage to appropriate supports and services.
- Conduct member outreach as needed to engage members and families.

#### Qualifications:

- Will be enrolled in the first year of a clinical mental health Master's program at the start of the internship (Master's in Counseling Psychology, Master's in Social Work, etc).
- Prior experience engaging with children and/or families – life experience counts!
- Ability to communicate effectively verbally and in writing.
- Ability to develop and maintain positive working relationships with coworkers and providers.
- High energy level, superior interpersonal skills and ability to function in a team atmosphere.
- Must hold a valid driver's license, have access to an operational and insured vehicle and be willing to use it to transport clients.

- Strongly prefer a candidate that will have a demonstrated understanding of and competence in serving culturally diverse populations.
