

## **In Home Therapy Master's Intern**

**Department:** Children's Behavioral Health Initiative (CBHI)

### **Overview:**

Join our team! Advocates is seeking empathetic, compassionate, driven professionals to offer clinical services to children and families. In Home Therapy is an intensive family therapy program, providing support and interventions to children and their families facing a wide range of challenges.

We offer a collaborative team environment, weekly individual supervision, and monthly training and group supervision. Our staff includes interns, new graduates, experienced clinicians, and everyone in between! We offer internships on a September to May schedule (dependent on the requirements of your school), and can often accommodate other time frames.

Advocates promotes a healthy work-life balance and offers many generous perks of employment and room for advancement. We are a strong-knit community that values the ideas and contributions of our staff.
